happy i yam
all on a new day
happy i yam
people and flowers
are one and the same
all in a chain
at the beginning of a new world.

Donovan

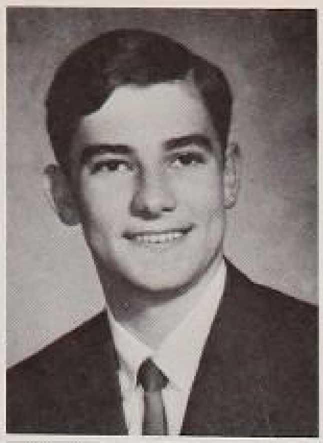

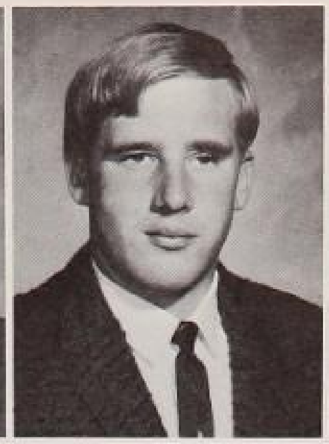

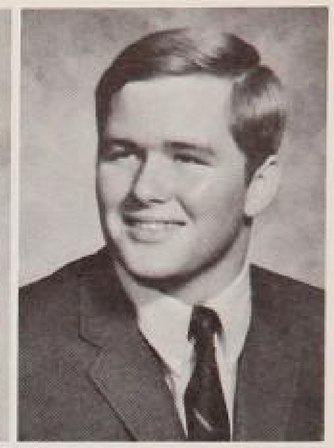

Ron Williams
Mary Willis
Bradley Wilson

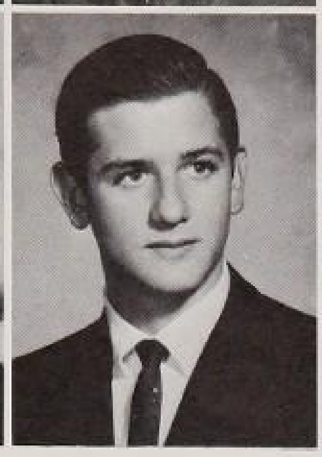

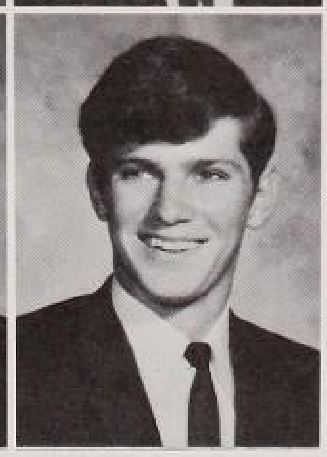

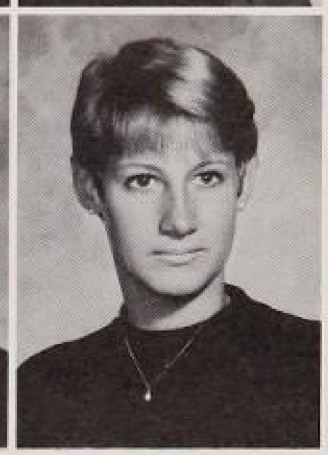

we were talking—about the space
between us all
and the people—who hide themselves
behind a wall of illusion
never glimpse the truth—then it's far
too late—when they pass away.
we were talking—about the love we all
could share—when we find it
to try our best to hold it there—with
our love
with our love—we could save the world
—if they only knew.
try to realize it's all within yourself
no-one else can make you change
and to see you're really only very small,
and life flows on within you and without
you.
we were talking—about the love that's
gone so cold and the people,
who gain the world and lose their soul—
they don't know—they can't see—are
you one of them?
when you've seen beyond yourself—
then you may find, peace of mind, is
waiting there—
and the time will come when you see
we're all one, and life flows on within
you and without you.

George Harrison
